

Electronically Sign a Court Form Using Foxit Reader

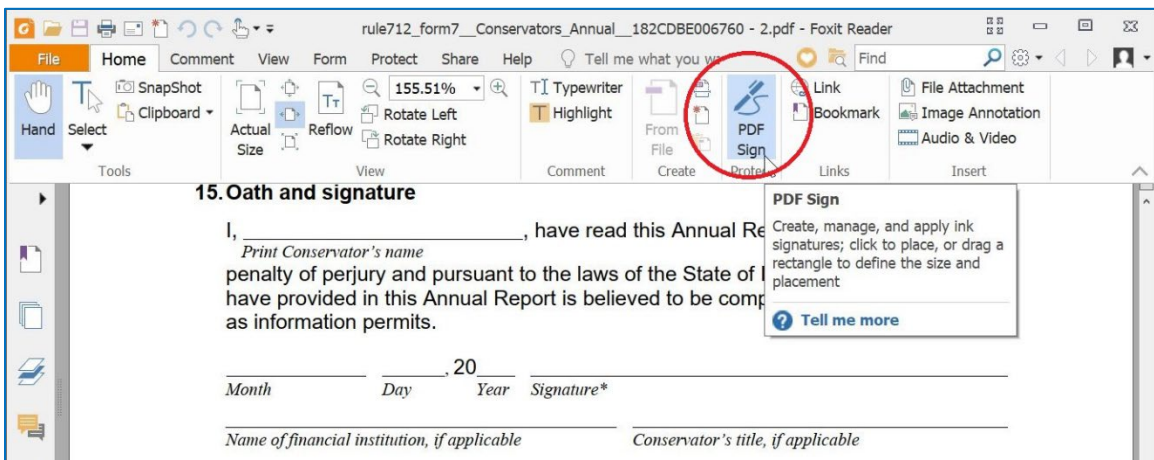

1. Open the PDF file in Foxit Reader.

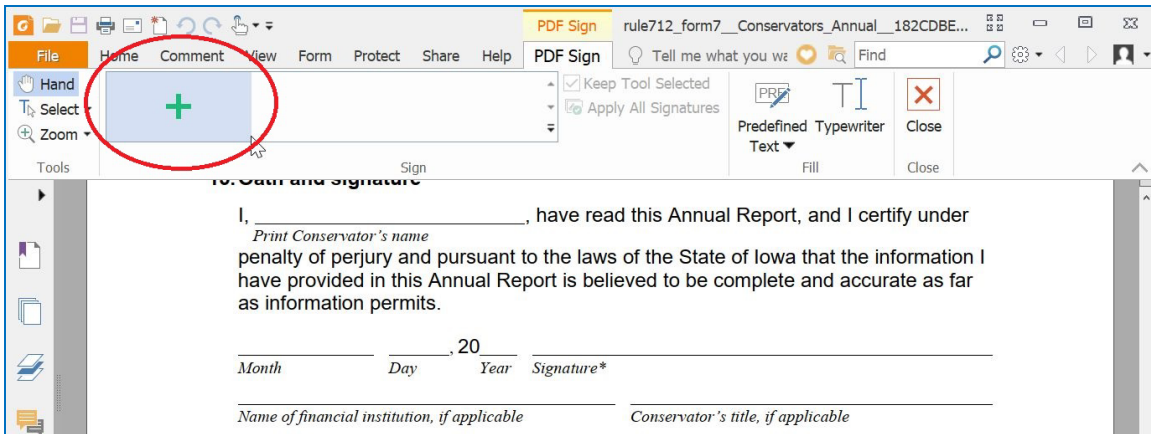

2. Fill out the form fields (if fields are available).
3. Scroll down to where you want to add the signature.

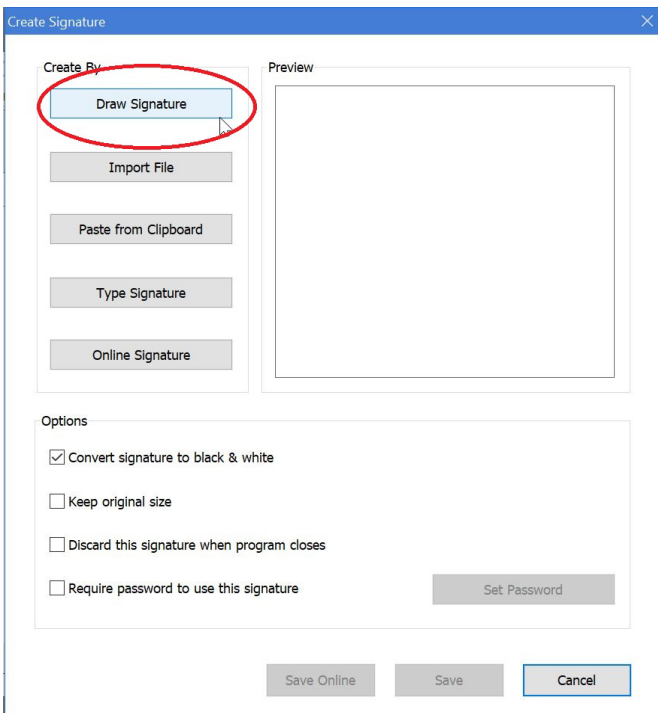

4. Choose **PDF Sign** from the top toolbar.

- 5. Choose the green plus from the top toolbar.

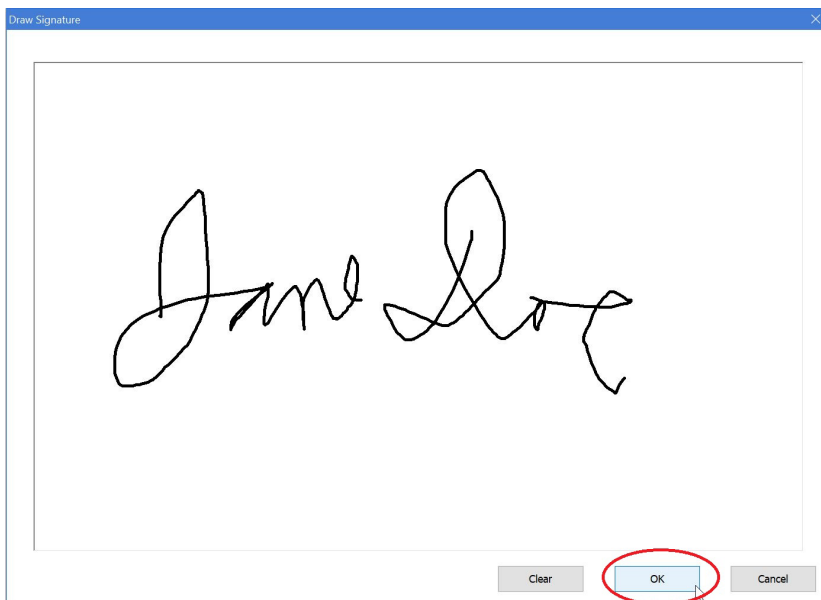

- 6. Click **Draw Signature**.

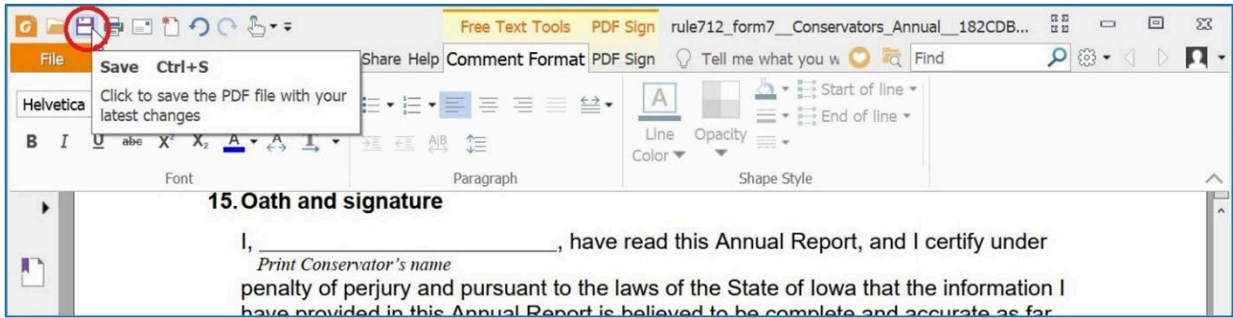

7. Click and hold to draw your signature. (Release the mouse button, move your cursor, and click and hold again to start a new word).

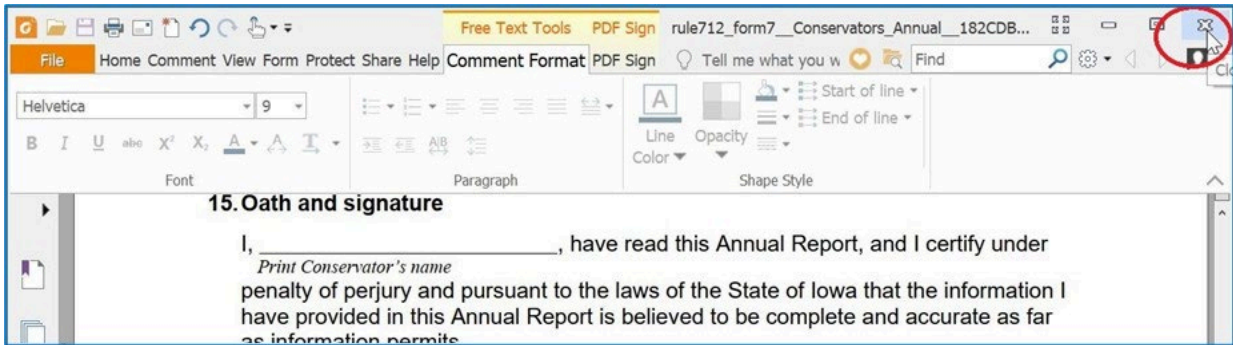

8. Click **OK**.

11. Click **Save**.

12. Click **Close**.

Done.
